

## **Build a Greek Town:**

Your treasury holds 200 Talents.

You are setting up new Greek colony abroad. You are surrounded by barbarian foreigners. You must educate these people in the ways of true civilization. Use the money you have brought from your Metropolis to build your new home.

- Agora – 20 Talents
- Bouleuterion (Council Building) – 40 Talents
- Wooden theatre – 10 Talents
- A temple to Athena – 40 Talents
- A temple to Zeus – 90 Talents
- A temple to Poseidon – 20 Talents
- A harbour – 30 Talents
- A Stadium – 20 Talents
- A Stoa (walkway/shop) – 10 Talents
- A defensive stone wall – 100 Talants
- A new wall between your harbour and city – 50 Talents

## Rebuilding Rome

Your spoils of war have increased your treasury to 600,000 aureus.

You are an Emperor returning from a campaign. You have conquered many foes and have gained much money. It is up to you to reshape Rome in your image. What will you spend this new found wealth upon?

- New Amphitheatre – 100,000 aureus
- New Forum – 200,000 aureus
- New Sewers – 50,000 aureus
- New Aqueduct – 60,000 aureus
- New Basilica – 100,000 aureus
- New Theatre – 200,000 aureus
- Refurbishing of the Circus Maximus – 30,000 aureus
- New Colossal Statue of Yourself – 100,000 aureus
- A New Golden Palace – 300,000 aureus
- A New Temple to Jupiter – 250,000 aureus
- A Triumphal Arch – 100,000 aureus
- A New Road (named for yourself of course) – 30,000 aureus
- A Harbour – 100,000 aureus
- A Mausoleum – 100,000 aureus
